our music to guarantee that it is of the highest quality. All our bands are real working bands that are working hard to break into the mainstream. The best part about planETJAM is that you get to help these artists become stars by supporting their music.

Because we respect your time and effort, we reward you for activity on the site. Once you sign up as a free member, you will see point indicators next to various things you can do on the site. Every time you stream or download a song, post a review, or drop an e-mail to friend, you earn points in your planETJAM account. You then use these points to bid on cool prizes in our auction area. It's really easy and totally fun.

Most of planETJAM is free. The free areas include all the streaming music, community boards, editorial, tour date info, most auctions, and e-mail features. Because we believe that musical artists are entitled to make money for their work, we offer the opportunity to upgrade your membership to "All Access" status. A nominal cover charge awards you unlimited access to fully legal mp3's (\$20 for six months of all access), makes you eligible to bid and win in exclusive "all access member only" premium auctions, and allows you to collect points more rapidly. To help support the artists, 51% of the total cover charge collection is given back to the artists in the form of royalty payments.

Keep an eye out for other special events like live planETJAM shows in your town.

Thanks for visiting planETJAM and we hope you enjoy your music experience!

- When an auction reaches its closing time, the auction will remain open if there is active bidding. This allows everyone who wishes to place a bid to do so. The auction will continue until there are no active bids for a set time. Overtime is very much like an auctioneer yelling going...going...gone at the end of a traditional auction. It creates a fair experience for everyone who wishes to participate in the auction rather than the person who sneaks in a bid at the last minute winning with no one else being able to bid.
- 6. I just won an auction...how do I get my prize?**
- You will receive your prize 4-6 weeks from the closing of the auction. plaNETJAM ships the good directly to you at no cost.

As any emerging band or small record labels know, the Internet is changing the way music is distributed, promoted, and heard by the consumer. On planETJAM, we are using the Internet to define a new model for the distribution of new music.

The planETJAM model:

1. Pays artists for their music and for referral of music fans.
2. Says that artists shouldn't have to sign their lives away to get their music widely heard.
3. Helps artists advance their career to the next level.

Fig. 29(B)

This is your chance.
This is planETJAM

3. Helps artists advance their career to the next level.
4. And most importantly, says artists deserve a bigger piece of the pie.

Submit your music. It's as easy as 1-2-3.

Frequently Asked Questions & Answers

1. How does my band or record label make money with planETJAM?
2. How will anyone know about planETJAM to hear my music?
3. Can my band still sign a traditional record deal?
4. What type of music is planETJAM looking for?
5. How do I submit my music to planETJAM?

1. How does my band or record label make money with planETJAM?

51% of revenue derived from the sale of digital downloads goes directly to the artist. Artists are also paid a 25% finders fee for consumers who upgrade to all-access membership.

2. How will anyone find my music at planETJAM?

We plan to limit the number of bands at any one time. This will offer the consumer an opportunity to find great new music without sorting through a vast sea of amateur quality recordings. It also increases the artists ability to get their music heard.

Fig. 29(C)

2. How will anyone find my music at planETJAM?

We plan to limit the number of bands at any one time. This will offer the consumer an opportunity to find great new music without sorting through a vast sea of amateur quality recordings. It also increases the artists ability to get their music heard.

3. Can my band still sign a traditional record deal?

Absolutely. If the opportunity presents itself for you to sign with a traditional record company, go for it. We have worked hard to make nothing in our digital distribution agreement unacceptable to the big record companies.

4. What type of music is planETJAM looking for?

The music must be:

- Original
- Professionally recorded and mastered
- Competently performed
- Attractive to the college audience

As a result of living on the Internet, planETJAM can support and provide a wide variety of styles and genres.

Hi. Just a note to let you in on what's going on...The live record is finished and sounds gorgeous! Chris Griffin did an amazing job cutting and pasting and it's great! I have been in the studio with producer (and guitarist for Billionaire) Rick Beato, and cannot wait for you guys to hear the new stuff...So ...lots of stuff going on and dates coming up with the band! Take care and thanks for listening(...reading too...) Kevin

Kevin Lawson
Pop/Rock

Atlanta, GA

Kevin Lawson has one of those amazingly emotional voices that silences a crowd, causing jaws to drop in unison; think of Bon Jovi meets the Goo Goo Dolls. Lawson combines confessional, ripped from the diary lyrics, and wraps it up in a warm, pop music blanket.

Telling stories through song is what he does best; whether in an acoustic solo setting or as lead singer of

voices that silences a crowd, causing jaws to drop in unison; think of Bono meets the Goo Goo Dolls. Lawson combines confessional, ripped from the diary lyrics, and wraps it up in a warm, pop music blanket.

Telling stories through song is what he does best; whether in an acoustic solo setting or as lead singer of his band his delivery is pure, energetic and at times heartwrenching. A favorite on the Atlanta local music scene, Kevin Lawson is one of those rare artists where his sincerity is never brought into question.

During the early part of 1999, Kevin went into the studio and recorded seven demos. The demos were placed on MP3.com. Within one week "Seven Songs" had soared into the #1 spot on the Folk Rock chart, receiving upwards of 2,300 downloads a day. "Seven Songs" stayed at #1 for over a month, producing two #1 singles ("No Place" and "Red Velvet Cake") on the MP3 International Folk/Pop Rock charts as well. Due to the growing demand for Kevin's music, "Seven Songs" was soon released on the GORE records

To the right is a sidebar titled "Music Leader" with a list of genres and a search bar.

How Does it Work....?

Each month planetjam will track the vital statistics for each of our artists and combine them into a single power ranking. The key factors that will be tracked are:

- Number of Streams

- Number of All-Access Members Referred

Obviously, as these statistics change throughout a month, your power rating will change also. At the end of each month we will freeze the leaderboard and reward the planetjam TOP TEN. The payouts each month will be as follows:

Acoustic/Pop
Aggressive Rock
Alternative
Blues

The screenshot shows a web browser window with the URL www.PowerPlay/formula.asp?authID=961484538. The page title is "PowerPlay". The main content area features a large banner with the text "The PlanET JAM PowerPlay System Explained". Below the banner, a paragraph explains the calculation of the Power Rating for each band. To the right, there is a sidebar titled "Music by GENRE" listing various genres: Acoustic/Pop, Aggressive Rock, Alternative, Blues, Comedy, Country, Extreme, Hip Hop/R&B, Jazz, Pop/Rock, Rock, Techno/Dance, and Search.

Each month, statistics will be captured for each participating band. These stats will then be plugged into the formula below to calculate the band's Power Rating. As we add the ability to physically fulfill merchandise, add band-supplied pictorial and "diary from the road" content to each bands presence, these factors will be added to the formula.

To simplify, the effect of each component on the overall score is as follows:

- Each Download adds 1 points to your total power rating
- Each Stream adds .05 points to your total power rating
- Each valid tour date keyed into the planETJAM.com system adds 3 points to your power rating
- Each member referral (free) adds 3 points to your power rating
- Each member upgrade (paid) adds 6 points to your power rating
